10. *Pay on Recruitment/Appointment.*—The person appointed to any post in the service will get the minimum of the time-scale prescribed for that post, unless the recommendations of the Himachal Pradesh Public Service Commission or the Departmental Promotion Committee are to the contrary or the fixation of the pay under the rules results in pay being fixed at a higher stage than the minimum.

Explanation.—For the purpose of this rule—

(a) persons who are confirmed retrospectively with effect from a date earlier than the issue of this rule, and

(b) persons appointed on probation to a permanent post substantively vacant in a scale prior to the issue of this rule, shall be considered to be permanent officers in the scale.

(2) Subject to the provisions of paragraph (3) below, permanent officers shall be ranked senior to persons who are officiating in that scale.

(3) *Direct recruits.*—The relative seniority of all direct recruits shall be determined by the order of merit of which they are selected for such appointment, on the recommendation of the selecting authority. (ii) Where promotions to a grade are made from more than one grade, the eligible persons shall be arranged in separate list in the order of their relative seniority in their respective grades. Thereafter the Departmental Promotion Committee shall select persons for promotion from each list strictly on the basis of seniority subject to the rejection of unfit and shall arrange all the candidates selected from different lists in a consolidated form of merit which will determine the seniority of persons on promotions to the higher grades.

(5) *Relative seniority of direct recruits and promotees.*—The relative seniority of direct recruits and of promotees shall be determined according to the rotation of vacancies reserved for direct recruitment and promotion respectively in these rules.

(6) *Transferees.*—The relative seniority of persons appointed by transfer in the service from or other Departments of State Government shall be determined in accordance with the order of their selection for such transfer.

(7) *Explanatory memorandum.*—Where promotions are made on the basis of selection by a Departmental Promotion Committee the seniority of such promotees shall be in the order in which they are recommended for such promotion by the Committee. Where promotions are made on the basis of seniority subject to the

rejection of unfit, the seniority of persons considered fit for promotion at the same time shall be the same as the relative seniority in the lower grade from which they are promoted. Where, however, a person is superseded by a junior, such person shall not if he is subsequently found suitable and promoted take seniority in the higher grade over the junior persons who had superseded him.

(8) Direct recruit shall be ranked in seniority below the promotees. If for any reason, a direct recruit or a promotee ceases to hold the appointment in the grade, the seniority list shall not be re-arranged merely for the purpose of ensuring the proportion referred to above.

13. *Leave and Pension.*—In respect of leave, pension and other (cognate) matters, the members of the service shall be governed by the rules/orders in force from time to time.
